("**Sephora**", and collectively with Olaplex, the "**Defendants**" and, collectively with the Plaintiff, the "**Parties**");

I. RECITALS

- A. **WHEREAS** on or around March 3, 2022, an *Application to authorize the bringing of a class action and to appoint the status of representative plaintiff* was filed by the Plaintiff in the Québec Superior Court file no. 500-06-001178-223 (the "**Application for Authorization**") against the Defendants in relation to the sale of the Olaplex's No. 3 Hair Repair Perfector (the "**Product**") containing Butylphenyl Methylpropional (the "**Ingredient**");
- B. **WHEREAS** on or around June 9, 2022, the Application for Authorization was amended to add allegations regarding Olaplex's alleged false declaration regarding the removal of the Ingredient from a new formula of the Product launched in early 2022 (the "**New Product**"), and to limit the proposed class to Québec consumers (the "**Amended Application for Authorization**", and together with the Application for Authorization, the "**Class Action**");
- C. **WHEREAS** the Class Action alleges that:
- a. The Defendants did not disclose the alleged health risks that could be associated with the presence of the Ingredient in the Product;
 - b. Olaplex falsely represented in February 2022 that they had removed the Ingredient from the Product by launching the New Product;

The whole, in contravention with sections 215, 219, 228 and 272 of the *Consumer Protection Act*, CQLR, c. P-40.1 (the “CPA”) and articles 6, 7, 1400, 1401 and 1407 of the *Civil Code of Québec*.

D. **WHEREAS** the Class Action proposed the following class:

All consumers who purchased, in Quebec, Olaplex No. 3 Hair Repair Perfector containing Butylphenyl Methylpropional (lilial).

(hereinafter referred to as the “Class”) or any other Class to be determined by the Court;

(the “**Putative Classes**” or “**Putative Class Members**”)

E. **WHEREAS** the Class Action has not been authorized, and the authorization hearing was first scheduled for February 22, 2024, and was postponed by the Court at the request of the Parties given the settlement discussions between them;

F. **WHEREAS** the authorization hearing was rescheduled for January 16, 2025, and was cancelled given the conclusion of the present settlement (the “**Settlement**”);

G. **WHEREAS** no notice has been sent to Putative Class Members;

H. **WHEREAS** the Plaintiff believes that the Class Action is valid and well-founded; however, the Defendants deny any wrongdoing or liability in relation to the Class Action, deny any health risks associated with the Product and any misrepresentations regarding the removal of the Ingredient from the Product and the launch of the New Product, and have raised numerous affirmative defences;

I. **WHEREAS** based on an analysis of the Class Action, taking into account the risks, burdens and expense of litigation, including the risk and uncertainty associated with a lengthy trial and possible appeals, as well as the fair, cost-effective and assured

method of resolving the Settled Claims (*as defined below*) provided for in this Agreement, the Plaintiff and Class Counsel (*as defined below*) have concluded that this Agreement provides benefits to the Settlement Class Members (*as defined below*) and is fair, reasonable and in the best interest of the Settlement Class Members;

- J. **WHEREAS** the Defendants have similarly concluded that this Agreement is desirable in order to avoid the time, risks and expense of defending the Class Action and to resolve fully and finally the Settled Claims raised by the Settlement Class Members, and they have concluded that this Agreement in its entirety is fair and reasonable;
- K. **WHEREAS** the Parties wish to compromise and settle all issues pertaining to the Settled Claims and ensure that there are no further proceedings, actions or disputes between them regarding the Settled Claims, and intend that this Agreement be so construed;
- L. **WHEREAS** this Agreement was entered into after extensive arm's length discussions and negotiations between the Parties, as represented by Class Counsel and Defence Counsel (*as defined below*);
- M. **WHEREAS** the Defendants represent that there are approximately 34,000 Settlement Class Members;
- N. **WHEREAS** this Agreement provides for collective recovery and the payment by the Defendants of the following amounts, or costs associated with such expense, on behalf of the Settlement Class, pursuant to article 598 C.C.P.:
 - a) Settlement Expenses (*as defined below*);
 - b) Class Counsel Fees and Disbursements (*as defined below*);
 - c) Distribution (*as defined below*).

- O. **WHEREAS** the Plaintiff and Class Counsel undertake to reimburse any advances received by the Fonds (*as defined below*) in connection with the Class Action pursuant to section 30 of the *Act respecting the Fonds d'aide aux actions collectives*, CQLR, c. F-3.2.0.1.1 (the "**Act respecting the Fonds**");
- P. **WHEREAS** the Parties desire and intend to seek the Court's authorization of the Class Action for settlement purposes only on the basis of the Settlement Class only and approval of the Settlement in the Class Action on behalf of the Settlement Class;
- Q. **WHEREAS** the Parties agree that the Settlement Class Members will be adequately informed of this Settlement and the authorization of the Class Action for settlement purposes only by notices sent to them, in the form and manner set out in this Agreement;
- R. **WHEREAS** this Agreement does not reduce, or settle in any way, the rights, recourses or claims, if any, of any other Putative Class Members who are not included in the Settlement Class and will be free to pursue any claim they may have against the Defendants;

NOW THEREFORE it is agreed that in consideration of the promises and mutual covenants set forth in this Agreement, the Settled Claims will be settled and compromised under the terms and conditions contained herein.

If at any point in the settlement process the Settlement Administrator will require other documents, records or information from the Defendants, the Settlement Administrator may make a request to the Defendants seeking such information. The Defendants will then expeditiously provide the additional material to the Settlement Administrator or provide a written explanation to the Settlement Administrator (with Class

Counsel on copy, unless they contain personal information from Settlement Class Members) as to why such material is not available, cannot be reasonably provided or will not assist the Settlement Administrator in the fulfillment of its duties pursuant to this Agreement. If documents, records or information requested by the Settlement Administrator pursuant to this paragraph are not provided to the Settlement Administrator within forty-five (45) days of the request, the Settlement Administrator and/or Class Counsel may seek directions from the Court in respect of that request on reasonable notice to Defence Counsel.

C. PRE-APPROVAL NOTICE

10. The Pre-Approval Notice will be disseminated within thirty (30) days from the date when the Pre-Approval Order is made, or as ordered by the Court, in substantially the same form as **Schedule B** attached to this Agreement, in both English and French, or in some other form or manner as directed by the Court, as follows:

- (a) the Settlement Administrator will deliver a bilingual email (French and English) containing a link to the Pre-Approval Notice, substantially in the form set out in **Schedule C**, to every Settlement Class Member, using their email address;
- (b) Class Counsel will post the Settlement Agreement, the French and English versions of the Pre-Approval Notice, and the Pre-Approval Order on Settlement Webpage and on the Class Action Registry of the Superior Court of Québec; and
- (c) Class Counsel will deliver a bilingual email (French and English) containing a link to the Pre-Approval Notice to the persons who signed-up to their webpage dedicated to this Class Action (www.lpclex.com/olaplex) up until the date of the Pre-Approval Order.

11. The Pre-Approval Notice will provide the URL (by hyperlink where possible) for the Settlement Webpage where Settlement Class Members can obtain more information about the Class Action, the Settlement, the contact information for Class Counsel, as well as obtain the Settlement Agreement, Pre-Approval Notice, and other relevant information or documents.

12. Within thirty (30) days from the date the Pre-Approval Order is made, the Settlement Administrator will provide written confirmation to the Parties that the Pre-Approval Notices were disseminated in accordance with subparagraph **10(a)** of this Agreement.

D. OPTING OUT

13. Settlement Class Members who do not wish to participate in the Class Action or be bound by the terms of this Agreement may opt out of the Class Action.

14. In order to opt out of the Class Action, Settlement Class Members must submit a completed Opt Out Form to the clerk of the Court or to Class Counsel by email within the Opt Out Period.

15. Opt Out Forms will be available on the Settlement Webpage throughout the Opt Out Period.

16. Within ten (10) days after the end of the Opt Out Period, or as soon as reasonably practical, Class Counsel and the Settlement Administrator will inform the Court and Defence Counsel of all Opt Out Forms received by them.

17. A Settlement Class Member who opts out of the Class Action is not entitled to Compensation nor to comment on or object to the Settlement Agreement.

E. CONFIDENTIALITY

18. Until the Pre-Approval Application is filed by Class Counsel, the Parties shall keep all of the terms of the Settlement Agreement confidential and shall not disclose them without the prior written consent of the Parties, except as required for the purposes of financial reporting, communications with insurers and auditors, the preparation of financial records (including tax returns and financial statements), negotiations in any parallel or related legal proceedings, and/or as necessary to give effect to the terms of the Settlement or as otherwise required by law.

VI. APPROVAL PROCESS

A. APPROVAL APPLICATION

19. The Plaintiff will notify and file the Approval Application at least five (5) days before the Settlement approval hearing, requesting that the Court:

- (a) declare that this Agreement is fair, reasonable and in the best interests of the Settlement Class Members; and
- (b) approve the process by which Settlement Class Members can receive Compensation; and
- (c) approve this Agreement and order the Parties, the Settlement Administrator and the Settlement Class Members to comply with it.

20. At the Settlement approval hearing, Class Counsel and Defence Counsel will make joint representations to the Court with a view to obtaining the Approval Order as described in paragraph 19 of this Agreement.

21. The Approval Application will be notified by Class Counsel to the Fonds at least five (5) days before the Settlement approval hearing.

22. Settlement Class Members who have not opted out of the Class Action and wish to comment upon the Settlement or raise an objection during the Settlement approval hearing may do so by communicating to Class Counsel in writing, using the address indicated at paragraph 86 of this Agreement, by the date fixed by the Court to object, a document containing the following information:

- (a) the style of cause and docket number of the Class Action: *Ohayon v. Olaplex, Inc. et al.*, S.C.M. no. 500-06-001178-223;
- (b) their full name, current address, telephone number and email address;
- (c) the e-mail address associated with the purchase(s) they made for bottle(s) of the Product;
- (d) the reason(s) for their objection or their comments;
- (e) the full name and current address, telephone number and email address of their attorney (if any);
- (f) confirmation as to whether they intend to be present at the Settlement approval hearing.

23. Class Counsel will diligently provide to Defence Counsel a copy of any such document received, which shall be filed in Court at the Settlement approval hearing.

B. POST-APPROVAL NOTICE

24. The Post-Approval Notice will be disseminated within fifteen (15) days from the Effective Date of the Settlement in substantially the same form as **Schedule D** attached to this Agreement, in both English and French, or in some other form or manner as directed by the Court, as follows:

- (a) the Settlement Administrator will deliver a bilingual email (French and English) containing a link to the Post-Approval Notice, substantially in the form set out in **Schedule D**, to every Settlement Class Member, using their email address;
- (b) Class Counsel will post the Post-Approval Notice on the Settlement Webpage and on the Class Action Registry of the Superior Court of Québec; and
- (c) Class Counsel will deliver a bilingual email (French and English) containing a link to the Post-Approval Notice to the persons who signed-up to their webpage dedicated to this Class Action (www.lpclex.com/olaplex) up until the date of the Pre-Approval Order.

25. The Post-Approval Notice will provide the URL (by hyperlink where possible) for the Settlement Webpage where Settlement Class Members can obtain more information about the Class Action, the Settlement, the contact information for Class Counsel, as well as obtain the Settlement Agreement, Post-Approval Notice, and other relevant information or documents.

26. The Post-Approval Notice will also provide instructions to Settlement Class Members on how to receive their Compensation, including how to update their residential address for the Product Distribution in Québec (with a link to the online Product Distribution Form) and how to elect to receive the Interac E-Transfer Payment (with a link to the online E-Transfer Payment Form), as further detailed in paragraphs **30** and following of this Agreement.

27. Within thirty (30) days from the date the Effective Date of the Settlement, the Settlement Administrator will provide written confirmation to the Parties that the Post-

Approval Notices were disseminated in accordance with subparagraph **24(a)** of this Agreement.

VII. BUSINESS PRACTICE CHANGE

28. The Defendants represent that they completely ceased selling bottles of the old Product in Quebec in August 2022 and that only bottles of the New Product have been sold in Quebec since then, which the Plaintiff hereby acknowledges.

29. The Practice Change was a condition *sine qua non* for Plaintiff's acceptance of the present Settlement; both Plaintiff and Class Counsel recognize and accept that the applied change resolves entirely Plaintiff's allegations and claims, both individually and as representative of the Settlement Class, regarding the Class Action.

VIII. COMPENSATION TO SETTLEMENT CLASS MEMBERS

30. Through the Approval Notice, Settlement Class Members will be informed of the following possibilities:

- (a) They will participate in the Product Compensation to receive the New Product, subject to the conditions set out in paragraphs **31** to **33** of this Agreement, if they do nothing;
- (b) They can elect to participate in the E-Transfer Distribution by submitting the E-Transfer Distribution Form within the Distribution Deadline to receive an E-Transfer to their email address, subject to the conditions set out in paragraphs **35** to **38** of this Agreement;

A. PRODUCT COMPENSATION

31. Within thirty (30) days of the expiration of the Distribution Deadline, the Defendants will send to the Settlement Administrator the number of bottles of the New Product corresponding to the number of Settlement Class Members for which:

- (a) The Defendants' records list a valid (according to the Settlement Administrator) residential address in Québec or the Settlement Administrator has received an updated residential address in Québec from a Settlement Class Member in a Product Distribution Form within the Compensation Deadline following the dissemination of the Post-Approval Notices; and
- (b) The Settlement Administrator has not received an election to participate in the Interac E-Transfer Payment.

32. Within sixty (60) days of the expiration of the Compensation Deadline, or as soon as possible after the bottles of the New Product have been received by the Settlement Administrator as contemplated in paragraph 31 of this Agreement, the Settlement Administrator will complete the Product Distribution to the Settlement Class Members' residential addresses obtained pursuant to subparagraph 31 (a) of this Agreement.

33. If following the Product Distribution, any bottles of the New Product cannot be delivered to a Settlement Class Member's residential address for whatever reason, including because it is returned as undeliverable, the remaining bottles of the New Product will be donated to the Charity on an "as-is" basis, without any warranties, whether legal or conventional, by the Defendants, as will be represented by Class Counsel to the Charity and acknowledged in writing by such Charity. Such Settlement Class Members will not be entitled to any other Compensation.

34. A Settlement Class Member participating in the Product Distribution will only be entitled to one (1) bottle of the New Product, regardless of the number of bottles of the Product they purchased from the Defendants.

B. INTERAC E-TRANSFER PAYMENT

35. Each Settlement Class Member who has elected to participate in the E-Transfer Payment by submitting an E-Transfer Payment Form to the Settlement Administrator within the Distribution Deadline following the dissemination of the Post-Approval Notices will receive an Interac E-Transfer from Settlement Administrator (comprised of the E-Transfer Amount) by way of an Interac E-Transfer if:

- (a) The Defendants' records list a valid (according to the Settlement Administrator) email address (e.g., not returned as undeliverable following the dissemination of the Post-Approval Notices) for this Settlement Class Member; or
- (b) The Settlement Administrator has received an updated email address from this Settlement Class Member in an E-Transfer Payment Form within the Compensation Deadline following the dissemination of the Post-Approval Notices.

36. Within seven (7) days of the Distribution Deadline, the Settlement Administrator will inform the Defendants and Class Counsel of the E-Transfer Amount. The Defendants will pay the Interac E-Transfer Amount to the Settlement Administrator no later than thirty (30) days of such communication from the Settlement Administrator.

37. Within sixty (60) days of the expiration of the Compensation Deadline, or as soon as possible after the E-Transfer Amount has been received by the Settlement Administrator, as contemplated in paragraph 36 of this Agreement, the Settlement

Administrator will complete the E-Transfer Payment to the Settlement Class Members' email addresses obtained pursuant to paragraph **35** of this Agreement. The form and content of the email, if any, shall be determined by the Settlement Administrator, and approved by Parties.

38. Any Interac E-Transfers that are returned or not accepted by a Settlement Class Member after the E-Transfer Payment will not be further redistributed, and will be disposed as provided in paragraphs **40** and **41** of this Agreement. Such Settlement Class Members will not be entitled to any other Compensation.

39. A Settlement Class Member participating in the E-Transfer Payment will only be entitled to one (1) Interac E-Transfer, regardless of the number of bottles of the Product they purchased from the Defendants.

C. BALANCE FOLLOWING THE E-TRANSFER PAYMENT

40. If there is a balance following the Interac E-Transfer Payments, for example for undeposited E-transfers (the "**Balance**"), the Settlement Administrator will pay the Fonds Levy pursuant to section 1 (1) of the *Regulation respecting the percentage withheld by the Fonds* from the Balance, before paying the remainder of the Balance to the Charity or Charities.

41. After the Settlement has been fully implemented and executed, including payment of the Fonds Levy and of the Balance, if any, to the Charity, there shall be no surplus amount remaining for remittance, reparation or compensation to any Settlement Class Members or any private or public third party, other than what is expressly provided for in this Agreement.

IX. PAYMENT OF FONDS LEVY

42. The Parties agree that this Agreement provides for collective recovery of the Compensation and that it is subject to the *Act respecting the Fonds*, the *Regulation respecting the percentage withheld by the Fonds* and the *Code of Civil Procedure*, CQLR, c. C-25.01 (the “**CCP**”).

43. The Parties further agree that pursuant to Québec law, including case law, the compensation offered to the Settlement Class Members does not entitle the Fonds to any percentage on such compensation.

X. SETTLEMENT ADMINISTRATION AND PROCESSING

A. SETTLEMENT ADMINISTRATOR’S OBLIGATIONS

44. Promptly after the Pre-Approval Order, the Settlement Administrator will carry out the settlement administration and processing obligations assigned to it under this Agreement.

45. The Settlement Administrator shall communicate to the Parties its final report regarding administration of the Settlement Agreement, including an account of the E-Transfer Amount and the Product Distribution, no more than one hundred and twenty (120) days after the Effective Date of the Settlement (the “**Administration Report**”).

B. SETTLEMENT WEBPAGE

46. Class Counsel shall ensure that the Settlement Webpage is maintained in both English and French, containing relevant information and relevant documents concerning the Class Action and the Settlement Agreement, including but not limited to, the Pre-Approval Notices and the Post-Approval Notices in both English and French and a copy of this Agreement, the Pre-Approval Order and the Approval Order. The

Settlement Webpage shall be maintained for a period of at least thirty (30) days following the date of the closing judgment.

47. During the period in which the Settlement Webpage must remain “live” pursuant to this Agreement, Class Counsel and the Defendants will agree upon its content. The Parties agree that the Settlement Webpage shall be in the same format and similar to the other settlement pages on Class Counsel’s website. In addition to any other information required in this Agreement, it must contain information explaining how persons who believe they are Settlement Class Members can communicate with Class Counsel or the Settlement Administrator in order to obtain or provide additional information or documents.

C. CLOSING JUDGMENT

48. Within thirty (30) days of the reception of the Administration Report, the Parties will submit a joint application for a closing judgment to be rendered by the Court without a hearing (the “Closing Judgment”).

XI. CLASS COUNSEL FEES

A. APPROVAL BY THE COURT

49. At the same time as the Approval Application, or at another date at Class Counsel’s discretion, Class Counsel shall seek:

- (a) approval of the Class Counsel Fees and Disbursements in an amount of no more than two hundred fifty-five thousand Canadian dollars (\$255,000) plus GST and QST thereon (calculated at the date of invoicing), which the Defendants shall pay separately and on top of the Compensation provided for to the Settlement Class Members pursuant to this Agreement; and

- (b) acknowledgment of Class Counsel's undertaking to reimburse, from the Class Counsel Fees and Disbursements, any advances received by the Fonds.

50. The Defendants will not make any representations on the Class Counsel Fees and Disbursements, other than that they have agreed to pay them as part of this Settlement and as fair and reasonable in the circumstances, or to answer any questions from the Court.

51. The Parties agree that the request for Class Counsel Fees and Disbursements is to be considered by the Court separately from its consideration of the fairness, reasonableness and adequacy of the Settlement, and that the Settlement is not conditional upon the approval of the Class Counsel Fees and Disbursements.

52. In the event that the Class Counsel Fees and Disbursements are not approved by the Court or otherwise appealed, Plaintiff agrees to not delay, defer or postpone approval of the Settlement, that the Effective Date shall occur notwithstanding any such dismissal by the Court or appeal, and is not a cause of termination of this Agreement or the Settlement.

B. PAYMENT OF CLASS COUNSEL FEES AND DISBURSEMENTS

53. No later than ten (10) days after the Effective Date or after final Court adjudication of the Class Counsel Fees Application, whichever is later, Class Counsel will issue an invoice in the amounts of Class Counsel Fees approved by the Court (the "**Class Counsel Invoice**").

54. The Defendants will pay to Class Counsel the amount of the Class Counsel Invoice within 30 (thirty) days of reception of said invoice. This payment shall be made from and form part of the Settlement Amount.

55. In consideration of payment of the Class Counsel Fees and Disbursements, Class Counsel will not, directly or indirectly, claim from the Settlement Class Members or the Defendants any other fees, costs or disbursements of any kind or based on any source relating to the Class Action, nor will Class Counsel participate or be involved, directly or indirectly, in any class action arising in whole or in part from any of the facts or causes of action alleged in the Class Action, including in this Settlement. Class Counsel further represent that they are currently not aware of any other claims that are contemplated to be brought against the Defendants, including with respect to the Product or the New Product or any of the facts or causes of action alleged in the Class Action.

XII. NO OTHER FEES

56. The Defendants have no obligation whatsoever to pay any other amounts as part of the Settlement beyond what is provided for herein.

XIII. SEPHORA'S OBLIGATIONS UNDER THIS AGREEMENT

57. Olaplex agrees to assume all obligations of Sephora under this Agreement, including, without limitation, the payment of any amounts contemplated herein.

XIV. TERMINATION OF THIS AGREEMENT

A. RIGHT OF TERMINATION

58. In the event that the Approval Application is not granted in full or if it is reversed or modified on appeal, either Party may terminate the Agreement by delivering a written notice pursuant to paragraph 91 of this Agreement, within thirty (30) days following the date upon which the Court's decision in that regard becomes final.

B. EFFECT OF TERMINATION

59. If this Agreement is terminated for any reason:

- (a) it, and all orders made pursuant to it, shall have no further force or effect, and shall not be binding on the Settling Parties, with the exception of paragraphs 2 and 66 of this Agreement;
- (b) the Defendants will be responsible to pay the Settlement Expenses incurred up to the date of termination pursuant to this Agreement; and
- (c) the Parties, Class Counsel and Defence Counsel shall:
 - (i) take all measures and make all representations necessary to ensure that each Party is returned to the same procedural position in the Class Action as if the Agreement had not been negotiated, made or filed with the Court, including but not limited to, bringing such applications as may be required to annul or vacate any orders already made, including without limitation, the order authorizing the proceeding to continue as a class action; and
 - (ii) within ten (10) business days of such termination, make reasonable efforts to destroy all documents or other materials provided by a Party or its counsel under this Agreement or containing or reflecting information derived from such documents or other materials received from a Party or its counsel and, to the extent that any documents or information provided by a Party or its counsel have been disclosed to any third party for the purposes of the Settlement, shall make reasonable efforts to recover and destroy such documents or information. Class Counsel or Defence Counsel shall provide a written confirmation of such destruction upon request.

XV. RELEASE AND DISMISSAL

A. RELEASE

60. Effective on the Effective Date of the Settlement, the Releasors hereby fully and finally release, acquit, remise and forever discharge the Releasees from any and all claims, demands, rights, actions, suits, debts, liabilities, dues, accounts, covenants, contracts, proceedings and causes of action of any kind whatsoever, whether direct or indirect, known or unknown, asserted or un-asserted, matured or un-matured, under or pursuant to any statute, regulation, common law or equity, that the Settlement Class Members ever had, now have or will have in the future against the Defendants in relation to the Settled Claims.

B. NO FURTHER CLAIMS

61. None of the Releasors shall make or maintain any claim, action or proceeding (including by way of counterclaim, third party claim or claim in warranty), in any jurisdiction, against any person, corporation, other entity, government or government agency in which any Settled Claims could arise against any of the Releasees (including, without limitation and where applicable, the past, present and future parents, subsidiaries, affiliates, related companies, divisions, associates, partners, insurers, shareholders, predecessors, successors, assigns, officers, directors, agents, managers, servants, employees, attorneys, advisors, consultants, representatives, mandataries, joint ventures, independent contractors, wholesalers, resellers, distributors, retailers and estate trustees of any Released Person, and each of their respective predecessors, successors, heirs and assigns) for contribution or indemnity or any other relief.

62. Plaintiff irrevocably undertakes not to recommence, file or institute any proceedings on the basis of the Settled Claims against the Defendants. For greater certainty, Plaintiff will not bring any proceedings against the Defendants alleging that the

Product and the New Product violate any legislation. This undertaking is based on the Practice Change in effect as of the date of this Settlement.

XVI. FINAL PROVISIONS

A. CONFIDENTIALITY OF THE SETTLEMENT

63. The Parties and Class Counsel agree that they will not issue any press release, whether joint or individual, concerning this Agreement or anything related thereto. The Parties further agree that they will not otherwise seek to obtain media coverage in relation to the Settlement Agreement, other than the notices to members as provided herein. If solicited by the press, class Counsel and Defence Counsel will have the right to comment on the Agreement, without disparaging the other Party, and Class Counsel will limit its comments to promoting the virtues of this Agreement, consistent with publicly available information contained in the Pre- and Post-Approval Notices. Class Counsel will have the option to post links to the Settlement Webpage announcing the existence of the Settlement and/or the Court's approval of the Settlement on its firm's and professionals' social media accounts, consistent with publicly available information contained in the Pre- and Post-Approval Notices

64. Class Counsel agrees not to disclose any confidential information obtained in the course of the settlement negotiations to anyone for any purpose, other than documents filed publicly, and agrees to ensure that no such disclosure shall be made by anyone employed by Class Counsel.

65. Nothing in this Agreement shall limit the ability of Class Counsel to respond to inquiries from Settlement Class Members concerning their entitlements under the Agreement, either by email or by telephone, and such communications shall not lose their privilege unless otherwise ordered by any Court.

66. All agreements made and orders entered during the course of the litigation relating to the confidentiality of information shall survive this Agreement.

B. ENTIRE AGREEMENT

67. This Agreement and its Schedules will constitute the entire agreement of the Settling Parties and will not be subject to any change, modification, amendment, or addition without the express written consent of counsel on behalf of all Parties to the Agreement. This Agreement supersedes and replaces all prior negotiations and proposed agreements, written or oral.

C. BINDING EFFECT

68. Each counsel or other person executing this Settlement Agreement or any of its Schedules on behalf of any Party hereby warrants that such person has the full authority to do so.

69. Class Counsel is expressly authorized by the Plaintiff, on behalf of the Settlement Class Members, to take all appropriate action required or permitted to be taken by the Settlement Class pursuant to the Agreement to effect its terms, and is expressly authorized to enter into any modifications or amendments to the Agreement with Defence Counsel on behalf of the Settlement Class Members which Class Counsel deems appropriate.

70. Effective on the Effective Date of the Settlement, this Agreement will be binding upon and inure to the benefit of the Settling Parties and, to the extent applicable, their respective past, present and future parents, subsidiaries, affiliates, related companies, divisions, associates, partners, insurers, shareholders, predecessors, successors, assigns, officers, directors, agents, managers, servants, employees, attorneys, advisors, consultants, representatives, mandataries, joint ventures,

independent contractors, wholesalers, resellers, distributors, retailers and estate trustees, and each of their respective predecessors, successors, heirs and assigns.

D. DATA RETENTION

71. The Settlement Administrator shall maintain and preserve records of all information collected in connection with its obligations under this Agreement until a Closing Judgment is rendered by the Court.

E. DISPUTES AND APPLICABLE LAW

72. Any disputes or controversies arising with respect to the interpretation, enforcement, or implementation of this Agreement must be made by application to the Court on reasonable notice.

73. This Agreement and the Schedules hereto shall be construed and enforced in accordance with, and governed by, the laws of Québec.

74. The computation of time with respect to all time periods and deadlines provided for under this Agreement shall be done in accordance with article 83 of the *Code of Civil Procedure*, CQLR, c. C-25.01.

75. The Agreement constitutes a transaction pursuant to articles 2631 and following of the *Civil Code of Québec*, CQLR, c. CCQ-1991.

F. MISCELLANEOUS

76. Each of the Parties and their counsel represent and warrant that they have made no agreement with, or promise for, the Plaintiff or any other Settlement Class Member to receive any payments or value in respect of this case or this Settlement, other than what is set out in this Agreement.

77. The Parties acknowledge that it is their intent to consummate the Agreement, and they agree to co-operate to the extent reasonably necessary to effect and implement all terms and conditions of the Agreement, including but not limited to, providing the Settlement Administrator with all necessary information or information that will substantially facilitate the discharge of its responsibilities.

78. The Parties agree that the consideration provided to the Settlement Class Members and the other terms of the Agreement were negotiated at arm's length and in good faith and reflect a settlement that was reached voluntarily after consultation with competent legal counsel.

79. The Preamble, as well as all of the Schedules and definitions to this Agreement are material and integral parts hereof, and are fully incorporated herein by reference.

80. The captions contained in this Agreement are inserted only as a matter of convenience and in no way define, extend or describe the scope of the Agreement or the intent of any provision thereof.

81. Except as otherwise provided herein, the Parties shall bear their own respective costs.

82. The Court shall retain jurisdiction with respect to implementation and enforcement of the terms of the Agreement and the Parties hereto submit to the jurisdiction of the Court for purposes of implementing and enforcing the Agreement.

83. Nothing contained in this Agreement shall be construed as giving any consumer, other than the Settlement Class Members, any legal or equitable right, remedy or claim under or with respect to the Agreement.

84. In the event that any one or more of the provisions contained in this Agreement will for any reason be held to be invalid, illegal, or unenforceable in any respect, such invalidity, illegality, or unenforceability will not affect any other provision if the Parties mutually elect to proceed as if such invalid, illegal, or unenforceable provision had never been included in this Agreement.

85. Unless otherwise ordered by the Court, the Parties may jointly agree to reasonable extensions of time to carry out any of the provisions of this Agreement.

86. The Parties each acknowledge that they have had an adequate opportunity to read and consider this Agreement, and to obtain legal advice in regard to this Agreement.

87. This Agreement may be executed in counterparts by the Parties hereto, and may be executed by electronic signature. Each such counterpart shall constitute an original document and such counterparts, taken together, shall constitute one and the same instrument. The Parties agree that this may include counterparts exchanged via facsimile or email.

88. The Parties have negotiated and fully reviewed the terms of this Agreement, and the rule that uncertainty or ambiguity is to be construed against the drafter will not apply to the construction of this Agreement by a Court of law or any other adjudicating body. The language in all parts of the Agreement and its Schedules shall be interpreted according to its fair meaning.

89. The Parties agree that the Plaintiff, the Defendants, Class Counsel, and Defence Counsel are in no way liable for any taxes any Settlement Class Members may be required to pay as a result of receiving any benefits under this Settlement Agreement. No opinion concerning the tax consequences of this Settlement Agreement to any Settlement Class Member is given or will be given by the Parties or their respective

counsel, nor is any Party or their counsel to provide any representation or guarantee respecting the tax consequences of this Settlement Agreement to any Settlement Class Member. Each Settlement Class Member is responsible for their tax reporting and other obligations respecting this Settlement Agreement, if any.

NOTICE OF CLASS ACTION AUTHORIZATION AND SETTLEMENT APPROVAL HEARING (OHAYON v. OLAPLEX INC et al., S.C.M. no. 500-06-001178-223)

A settlement agreement (the “**Settlement**”) has been reached, subject to Court approval, in file no. 500-06-001178-223 of the Superior Court of Quebec (the “**Class Action**”) between a Quebec consumer (the “**Plaintiff**”) and Olaplex, Inc., Olaplex Holdings, Inc., and Sephora Beauty Canada, Inc. (together, the “**Defendants**”), in the class action instituted in relation to the sale of the old formula of Olaplex’s No. 3 Hair Repair Perfector (the “**Product**”) containing a specific ingredient, butylphenyl methylpropional, (the “**Ingredient**”) and the launch of a new formula of the same product in 2022 without the Ingredient (the “**New Product**”).

Plaintiff alleged that the Defendants acted in violation of the Quebec *Consumer Protection Act* (the “**CPA**”) by (i) concealing an important fact by not disclosing the alleged health risks that could be associated with the presence of the Ingredient in the Product and (ii) falsely representing in February 2022 that they had removed the Ingredient from the Product by launching the New Product. The Court has made no determination regarding the merits of those allegations, which Defendants deny in all respects.

On ■, the Class Action was authorized for settlement purposes only. The settlement approval hearing will take place on **November 25, 2025, at 9:00 a.m. in room 2.08** of the Montreal Courthouse located at 1 Notre-Dame Street East (the “**Hearing**”). This Settlement may affect your rights, whether you act or not. Please read this notice carefully. To opt out of the Settlement, you must complete and sign an Opt Out Form, and deliver it to the Clerk of the Superior Court of Québec on or before **[NTD: opt out date]**, as described in more detail below.

Why have I received this email?

You are receiving this email as, between March 1, 2019 and August 31, 2022 (the “**Class Period**”), you purchased bottle(s) of the Product from the Defendants, using this email address, and provided a billing address in the Province of Quebec at the time of that purchase.

The purpose of this notice is to inform you that the Plaintiff and the Defendants have reached a Settlement putting an end to the Class Action. While the Defendants continue to deny all allegations, they have agreed to reach this Settlement to avoid the cost and risk of litigation. The Parties believe that the Settlement is the best solution to dispose of the dispute. They will ask the Court to approve it.

The Court will hold a hearing to determine whether it will approve the Settlement. You may attend the hearing which will take place on **November 25, 2025** in room **[NTD: room]** of the Montreal Courthouse, located at 1 Notre-Dame Street East (the “**Hearing**”).

What was the purpose of the Class Action?

According to the Plaintiff, the Defendants allegedly contravened the CPA by concealing an important fact by not disclosing the alleged health risks that could be associated with the presence of the Ingredient in the Product and falsely representing in February 2022 that they had removed the Ingredient from the Product by launching the New Product. These allegations have not been proven in Court and have been, and continue to be, denied in all respects by the Defendants, who say that they have complied with all applicable legislation at all times and deny any health risks associated with the presence of the Ingredient in the Product, before its removal of the New Product’s formula in 2022.

What does the Settlement provide for?

The Settlement provides that the Defendants will offer each Settlement Class Member the possibility of: **(1)** receiving a free 100ml bottle of Olaplex's No. 3 Hair Repair Perfector (the "**Product Distribution**") at their residential address. Settlement Class Members who do nothing will, by default, participate in the Product Distribution; or **(2)** receiving a **\$20.00** Interac E-Transfer by submitting an E-Transfer Request within the E-Transfer Deadline (the "**E-Transfer Distribution**", and collectively with the Product Distribution, the "**Compensation**").

In addition to the Compensation, the Defendants have also agreed to pay the Settlement Expenses and Class Counsel Fees and Disbursements (\$255,000 plus taxes and subject to Court approval) on top of and separately from the Compensation offered to Settlement Class Members.

The Product Distribution and the E-Transfer Payment will be completed through a Settlement Administrator (the costs of which will be borne by the Defendants).

(1) PRODUCT DISTRIBUTION

Each Settlement Class Member (i) who has not elected to participate in the E-Transfer Payment and (ii) for which the Defendants' records list a valid residential address in Quebec or for which an updated residential address was provided in a Product Distribution Form (to be provided in a subsequent notice if and when the Settlement is approved) within the Compensation Deadline will receive a free 100ml bottle of Olaplex's No. 3 Hair Repair Perfector (retail value of \$47.15 inclusive of GST and QST on the date of execution of the Settlement). Settlement Class Members will receive only one (1) bottle, regardless of the number of bottles of the Product they purchased from the Defendants. Additional terms and conditions are set out in the Settlement Agreement.

(2) E-TRANSFER PAYMENT

Settlement Class Members who do not want the free Product may instead request an Interac E-Transfer Payment instead and will receive an amount of **\$20.00** to the same email address at which they received this notice (unless updated). Settlement Class Members must submit an Interac E-Transfer Request (to be provided in a subsequent notice if and when the Settlement is approved) within the Distribution Deadline.

Under either of the two options, Settlement Class Members will receive only one (1) bottle or Interac E-Transfer, regardless of the number of bottles of the Product they purchased from the Defendants. Additional terms and conditions are set out in the Settlement Agreement.

In exchange, Settlement Class Members will provide a full and complete release of the claims asserted in the Class Action against the Defendants regarding the sale of the Product and the launch of the New Product. The Settlement Agreement does not constitute an admission of liability by the Defendants, who have agreed to the authorization and settlement of this Class Action only for the purpose of avoiding a trial and the additional costs and expenses related thereto, and continue to deny all claims.

Opting Out

If you are a member of the Settlement Class and for any reason whatsoever you do not wish to be bound by this Settlement, you must take steps to opt out of the Settlement Class. Opting out will result in your exclusion from the Settlement and you will receive no benefits thereunder. If you opt out you will not be bound by the Class Action and may be able to exercise any valid rights of action at your own cost, within the deadlines prescribed by law.

To opt out, you must complete and sign an Opt Out Form accessible [here](#), and deliver it to the Clerk of the Superior Court of Quebec **on or before [NTD: opt out deadline]** at the address listed on the form (or via email to Class Counsel listed below who will file it for you).

Objecting to the Settlement or commenting on it

Settlement Class Members have the right to make objections to or comments on the Settlement by **[objection deadline fixed by Court]**. Your document must contain the following information:

1. The style of cause and docket number of the Class Action: *Ohayon v. Olaplex, Inc., et al.*, S.C.M. no. 500-06-001178-223
2. Your full name and current address, telephone number and email address (and the email associated with the purchase(s) of bottle(s) of the Product if different);
3. The grounds for your objection to the Settlement or the comments you wish to make about it;
4. The name and contact information of your attorney, if any (you can object to the Settlement or comment on it without a lawyer. If you wish to be represented by a lawyer, you may hire one at your own expense); and
5. Confirmation as to whether you intend to be present at the Settlement approval hearing.

If, despite your objection or comments, the Settlement is approved, you can still receive compensation pursuant to the Settlement if you are eligible.

Class Members have the right to seek intervenor status in the Class Action. A member who intervenes may be required to submit to a pre-trial examination. No Class Member other than the Plaintiff or an intervenor may be required to pay legal costs arising from the class action.

** English text follows **

Cher membre du groupe de règlement,

Nous vous contactons conformément au jugement rendu par la Cour supérieure du Québec en date du X (dossier no. 500-06-001178-223), qui a autorisé une action collective à des fins de règlement uniquement contre Olaplex, inc., Olaplex Holdings, inc. et Sephora Beauty Canada inc. (les « **Défenderesses** »).

La demanderesse alléguait que les Défenderesses n'avaient pas respecté certaines dispositions de la *Loi sur la protection du consommateur* du Québec en lien avec la vente de l'ancienne formule du No. 3 Hair Repair Perfector d'Olaplex (le « **Produit** »), contenant un ingrédient spécifique, le butylphényl méthylpropional (l'« **Ingrédient** »), ainsi que le lancement, en 2022, d'une nouvelle formule du même produit sans l'Ingrédient (le « **Nouveau Produit** »).

La Cour n'a rendu aucune décision quant au bien-fondé de ces allégations, lesquelles sont niées par les Défenderesses.

Vous recevez ce courriel parce que vous avez été identifié comme membre du groupe de règlement, et vous pourriez avoir droit à une compensation. Les membres du groupe sont les consommateurs qui, entre le 1er mars 2019 et le 31 août 2022 (la « **Période du groupe** »), ont acheté au moins une bouteille du Produit auprès d'Olaplex ou de Sephora, et ont fourni une adresse de facturation dans la province de Québec au moment de l'achat. Vous pourriez donc être admissible à recevoir une compensation en vertu de l'Entente de règlement.
